Rev. E. F. L. GAUSS, Galena, Ilia., writes—
"For over ten years I had been a great sufferer from
pains in the small of the back and region of the
Kidneys, which was most exerneiating and at times
almost insufferable. Doctoring brought no relief,
and I was finally advised to go abroad and seek the
climate of my youth. In Germany and Switzerland,
eminent physicians, after close examinations, declared my sufferings to arise from disease of the
Kidneys, of long standing, and could do me no good.
I was, however, benefited by the climate and consequently returned. No sooner had I been back and
resumed my pastoral work, when the old trouble grew
again so latense as to make life a burden. A few
months ago I came in possession of one of Day's
Kidney Pads, put it on, and the effects were truly
wonderful. The pains at once grew less and are now,
after wearing the second Pad, entirely gone, and there
can be no doubt that I am entirely cared, as I write
this some weeks after its use, and am strong and lo k
again the very picture of health. I write this perfectly voluntarily, and it is dictated only by truth and
gratitude. Indeed, I consider the Day Kidney Pad Co.
God's agents and great benefactors of mankind. May
all the suffering be helped as I have been is my earnest wish."
